PROFILE

Aspiring Software Developer pursuing a Bachelor of Engineering in Computer Science (AIML) at Lokmanya Tilak College of Engineering, with a passion for creating innovative and efficient digital solutions. Proficient in C, Python, and web development technologies including HTML, CSS, and JavaScript. Experienced in developing dynamic web applications and working on diverse projects, which have sharpened my skills in problem-solving, critical thinking, and collaborative teamwork. Driven by a love for learning and a dedication to applying cutting-edge technologies in real-world applications.

SKILLS

- **Languages** : HTML, CSS, JAVASCRIPT, PYTHON, C++, C PROGRAMING, JAVA, MONGODB
- **Tools and Technologies** : VS Code, Node.Js, React.Js, Figma
- **Problem Solving** : Strong analytical and problem-solving skills developed through coursework and projects
- **Teamwork**: Ability to work collaboratively within a team.
- **Mentoring**: Experience in mentoring or coaching team members.

PROFESSIONAL EXPERIENCE

Data Analyst Internship at IBM Skillbuild and CSRBOX

June 2024 - August 2024

- **Data Analysis**: Learning to clean, process, and analyze large datasets using tools like Python and Excel.
Visualization: Creating insightful data visualizations with tools like Tableau.
- **Business Insights**: Extracting actionable insights to support business decision-making.
- **Analyzed large datasets** to identify key trends, patterns, and insights, contributing to data-driven decision making for corporate social responsibility (CSR) initiatives

Campus Ambassador at IIT Bombay Techfest

August 2024 - Present

- **Event Promotion**: Spreading awareness about the Techfest and encouraging student participation.
- **Networking**: Connecting with industry experts, speakers, and fellow ambassadors.
- **Promoted Techfest** events through various channels (social media, campus events, etc.) resulting in a significant increase in student participation from college.
- **Collaborated with cross-functional teams** to manage event-related challenges, ensuring successful event execution.

EDUCATION

Lokmanya Tilak college of engineering
B.tech in
Computer Science (AIML) Engineering.
